

Jayhawks
10-11-2023
Timo A Aranjo

Where: Spahr
Time: 3:00 PM
Present Members: Timo, Riley, Allie, and Victor

Notes

Decisions:

- We would finish the document today (this didn't occur)

We will need to ask Saiedian some questions:

- Where does modulo fit in the order of operations
- What is the assumptions and dependencies sections

Photo taken during meeting:
