Jayhawks
10-04-2023
Deborah E. Onuosa

Where: LEEP (Spahr)
Time: 3:00 PM
Present Members: Deborah, Timo, Allie, Riley, Victor, Ellia

Notes

Decisions:

- Worked on the software requirements specifications.
- Work on it over the weekend

We will need to ask Saiedian some questions:

- What are memory constraints?
- What are Software interfaces?
- What are user characteristics?

Photos taken during the meeting:
